DRIVING CODE OF THE MISSOURI STATE HIGHWAY PATROL. 1. Keep your car under control at all times. Drive in such a manner and at such a speed that the car can be stopped in the distance that is seen to be clear ahead. 2. Be sure brakes are in good working order. 3. See that both headlights and tail-light are working; headlights adjusted so they illuminate the road but do not blind approaching driver; use dimmers when meeting other cars. 4. Keep on the right side of roadway; don't straddle or hug the center line. 5. Don't pass another car until you can see that the way ahead is clear for a safe distance. Remember this rule on hills and curves. 6. Don't drive at a speed that may endanger yourself or others. 7. Proceed cautiously at intersecting highways and when meeting pedestrians. 8. Don't permit passengers or merchandise to crowd the driver's seat. 9. Give your whole attention to the job of driving. 10. Have consideration for the other fellow. It's partly his road, you know.
