STANDARD SPECIFICATIONS

Section 227.110, RSMo, as revised, states that the state highway system shall be constructed in accordance with specifications. In keeping therewith, the Commission charges the Deputy Director/Chief Engineer with the responsibility for preparation and upkeep of a publication containing requirements for material, equipment, construction, and other matters related to construction of Missouri's transportation infrastructure; however, in those cases where the Commission has adopted a specific policy, the provisions of the standard specifications will be in conformance therewith. This publication shall be made easily accessible to the public.
