

## I-64 Daniel Boone Bridge Project Goals

- Deliver the project within the programmed budget of \$125 million
- Construct a Missouri River bridge that can be reasonably maintained to provide more than a century of useful life
- Maximize the mobility, capacity and safety improvements in the corridor when construction is complete
- Minimize and mitigate construction impacts and maximize work zone safety to customers through construction staging and communication efforts
- Complete the project no later than July 1, 2016
