

MISSOURI DEPARTMENT OF TRANSPORTATION PERSONNEL POLICY MANUAL

POLICY TITLE: Service Awards
NUMBER: 6000
CHAPTER TITLE: Department Awards

EFFECTIVE DATE: November 15, 2020
PRIOR EFFECTIVE DATE: July 1, 2008

POLICY STATEMENT

Full time and permanent part-time employees will be honored for their long tenure with the department during annual presentation programs. Service awards will be provided at five-year intervals, beginning when employees complete five years of employment. Districts/divisions/offices will follow the requirements of Financial Policy "Department Provided Food," for the service award receptions and banquets.

PROVISIONS / REQUIREMENTS

1. Service awards will be provided to employees in recognition of their years of employment with the department. Years of employment will be calculated based upon employees' department hire dates, unless their department service dates are adjusted due to absences that are not creditable service with the department. Absences that will not be counted as creditable department service time include:
 - a. A break in employment of greater than 30 days, such as when an employee resigns and is re-hired a year later.
 - b. Leaves of absence of at least 80 consecutive hours under Personnel Policy 3504, "Educational Leave Without Pay," or Personnel Policy 3509, "Special Leave Without Pay."
2. Employees who transfer from another state agency to MoDOT under an Executive Order will have their service with the prior state agency counted as if it was service with MoDOT for the purpose of this Service Award program. Employees who transfer to MoDOT and were not part of a transfer under an Executive Order will receive service awards based on their department hire dates as adjusted under the provisions stated in paragraph 1.
3. The 5, 10, and 15-year awards will be presented by the district/division/office in which honored employees are assigned. Service awards will include a certificate showing the years of employment achieved with MoDOT. Once an employee has reached 10 years of service, service awards will also include a gift. Employees will select their gift from a brochure that will provide several options for each service level achieved.
4. Twenty-year and higher awards (five-year increments) will be presented at a banquet each year in each of the districts and at the Central Office. The Human Resources (HR) Division will schedule the banquet for Central Office employees with 20 or more years of service and arrange for presentation of the awards. Districts will schedule their banquets and arrange for presentation of the awards.

5. The annual listing of employees eligible for awards will be compiled and verified by the HR Division. The HR Division will serve as the liaison for the Service Awards program and will provide service award certificates and frames to the districts/divisions/offices.
