- Six years of experience in motor carrier enforcement activities or related.
- Obtain Commercial Vehicle Safety Alliance (CVSA) inspection certifications, New Entrant Safety Audit certification, and Investigative Safety Analysis (ISA) certification within 12 months of hire.
- Successful completion of a range of motion examination and a medical-physical examination.

Special Working Conditions/Job Characteristics

- Job requires regular travel within an assigned region and occasional, statewide, overnight travel.
- Job requires heavy physical exertion and effort.
- Job requires exposure to physical hazards, health and safety risks, and/or adverse or otherwise undesirable characteristics in the environment.
- Job may require operation of vehicles to plow snow and spread ice control materials.

Examples of Work

1. Conducts investigations, educational briefings, and safety audits of interstate and intrastate motor carriers and vehicles for conformance with the Federal Motor Carrier Safety Regulations and Missouri State Statutes in the areas of safety and hazardous materials regulations.

2. Conducts economic enforcement inspections of interstate and intrastate motor carriers, the bus and limousine industries, hazardous materials cargo trailers, and mobile home carriers; investigates complaints regarding unauthorized carrier operations.

3. Conducts safety inspections of commercial motor vehicles, hazardous materials compliance reviews, and physical inspections with carriers/shippers to ensure compliance with regulations.

4. Determines the severity of identified violations of carriers, resolving those that are less severe and documenting serious violations; confers with the supervisor concerning violations that warrant legal procedures; testifies in administrative and legal proceedings.

5. Conducts joint inspections, investigations, educational briefings, safety audits and economic enforcement actions with representatives of other state and federal agencies.

6. Conducts orientation programs for new and established carriers in the areas of inspections, safety and compliance reviews, and economic enforcement regulations.

7. Assists in the orientation and training of new employees.

8. Performs other responsibilities as required or assigned.
