- Counties: 4
- Population: 1,855,000
- Square Miles: 2,702
- Miles to Maintain: 1,533 centerline miles of state highway

Visit Our Traveler Information Map

MoDOT's Traveler Information Map provides a view of road conditions for major Missouri highways. The map shows work zone locations, flooding information, weather-related road conditions and incidents that affect travel.

Commercial drivers can view information on oversized/over-dimension loads, vertical clearance and commercial zones.

A weather radar image and links to road condition maps for surrounding states are also available on the Traveler Information Map at www.modot.org.
