Section 6 – Special Programs
2023 - 2027 STIP
February Administrative Modification
Federal Lands Transportation Program

Federal Lands Transportation Program (FLTP)

The FLTP is a subcomponent of the Federal Lands Highway Program, authorized under IJA to improve the transportation infrastructure owned and maintained by the following Federal Lands Management Agencies (FLMA): National Park Service (NPS), US Fish and Wildlife Service (FWS), USDA Forest Service (Forest Service), Bureau of Land Management (BLM), US Army Corps of Engineers (USACE), Bureau of Reclamation and independent federal agencies with land and natural resource management responsibilities.

The FLTP provides funds for projects on federal lands transportation facilities. Eligible activities include the following:

- Program administration, transportation planning, research, engineering, preventive maintenance, rehabilitation, restoration, construction and reconstruction of federal lands transportation facilities and
 - adjacent vehicular parking areas;
 - acquisition of necessary scenic easements and scenic or historic sites;
 - provisions for pedestrians and bicycles;
 - environmental mitigation in or adjacent to federal land open to the public;
 - to improve public safety and reduce vehicle-caused wildlife mortality while maintaining habitat connectivity;
 - to mitigate the damage to wildlife, aquatic organism passage, habitat and ecosystem connectivity, including the costs of constructing, maintaining, replacing or removing culvers and bridges, as appropriate;
 - construction and reconstruction of roadside rest areas, including sanitary and water facilities;
 - congestion mitigation; and
 - other appropriate public road facilities, as determined by the Secretary.
- Capital, operations and maintenance of transit facilities.
- Any transportation project eligible for assistance under Title 23 of the United States Code that is on a public road within or adjacent to, or provides access to, federal land.

Federal lands transportation program funds are for projects on federal lands transportation facilities, which are facilities within or adjacent to, or that provide access to, federal lands (national forests, national parks, national wildlife refuges, national recreation areas and other federal public lands) open to the public, are owned and maintained by the federal government, and which appear in the nation federal lands transportation inventory.

MoDOT Operations and Maintenance Plan

Federal participation in MoDOT's in-house or force account preventive maintenance efforts such as chip seals, asphalt pavement repairs, pipe repairs, bridge deck sealing and bridge deck repairs has been in place for several years and has resulted in federal funding levels in excess of \$60 million per year. Due to the complicated scope of some of this work, minor supportive contracts are required to assist in these efforts such as pipe repair efforts on very deep pipes that MoDOT does not have the equipment to perform. Federal participation in these types of contracts is addressed in paragraph 6.a.(2) of the March 12, 2012, FHWA memorandum, FHWA Policy on Agency Force Account Use (Appendix D).

Minor Support Services Agreements (ie. slab lifting, deep pipe replacements and bridge flushing) \$5,000,000

[FHWA Policy on Agency Force Account Use \(5060.1\) - Resources | Federal Highway Administration \(dot.gov\)](#)

Section 6 – Federal Highway Administration Coronavirus State and Local Fiscal Recovery Funds November Administrative Modification

Coronavirus State and Local Fiscal Recovery Funds

The Coronavirus State and Local Fiscal Recovery Funds (SLFRF), a part of the American Rescue Plan Act, included \$350 billion to state, local, and Tribal governments across the country to support their response to and recovery from the COVID-19 public health emergency. The SLFRF program ensures that governments have the resources needed to build a strong, resilient, and equitable recovery by making investments that support long-term growth and opportunity. For State Fiscal Year 2023, the Missouri Legislature appropriated \$35,186,500 of SLFRF to MoDOT for the following capital improvement projects:

Public Port Capital Improvements	\$25,000,000
New Madrid Port	\$5,000,000
Washington County Airport	\$1,000,000
Kirkwood Amtrak Station	\$2,500,000
Buffalo Airport	\$686,500
Carrollton Amtrak Station	\$1,000,000

Total	1,031.9	833.8	836.6	545.0	463.0

¹Includes federal category balances as of June 30, 2022.

²Includes previous years available balances (apportionment less program) plus current year estimated apportionment. Assumes 2% growth each year.

³Apportionments are subject to annual obligation limitation. Obligation limitations (authority) is estimated to be 98 percent of apportionments. Obligation limitation is the annual funding made available through the appropriations bill. Section 5-6 of the STIP provides the additional information regarding the obligation limitation available for programming. Table 1 and Table 2 reflect only MoDOT's share of apportionments and obligation limitation, Local Program funding has been removed. Table 1 reflects apportionment funds available to be applied to the projects programmed in the STIP. Table 2 provides a summary of the projects programmed in the STIP by federal category and is representative of the available obligation limitation.

⁴Includes other programs such as HIP
