

I-44 Widening in Greene County

Springfield

PROJECT FACTS

- Widening I-44 to 6 lanes between Missouri Route 13 (Kansas Expressway) and U.S. Route 65
- Replace the following bridges carrying I-44 over city streets:
 - Broadway Avenue Bridge
 - Grant Avenue Bridge
 - National Avenue Bridge
- Build pedestrian underpass and trail improvements east of Grant Avenue
- Resurface I-44 between west of Missouri Route 266 (Chestnut Expressway) and east of U.S. Route 160 (West Bypass)
- Build a sound wall south of I-44 from the National Avenue bridge west, approximately 2,550 feet

TRAFFIC IMPACTS

- Lane Closures on I-44
- Road and bridge closures for the following locations:
 - Broadway Avenue closed up to 140 days
 - Grant Avenue closed up to 140 days
 - National Avenue closed up to 140 days
- I-44 will maintain two lanes of traffic in each direction, except for short duration closures during night time hours
- Narrowed lanes and traffic shifts on Route I-44
- I-44 ramp closures
- During higher traffic volume, drivers can expect delays

PROJECT TIMELINE
