FROM: Shannon Kellner, P.E.
DATE: August 9, 2024
SUBJECT: Kaysinger Basin Bridge Bundle Design-Build
Early Release Documents

The Missouri Department of Transportation anticipates an upcoming Design-Build project that includes bridges in Bates, Benton, Cedar, Henry, Hickory, St. Clair, and Vernon Counties. The Request for Qualifications was issued on August 1, 2024. The Request for Proposals (RFP) is anticipated to be issued in late October 2024.

MoDOT is releasing information pertinent to this project prior to issuing the RFP. This information includes the following:

- Existing Bridge and Roadway Information

This information can be found as early release information through the project SharePoint site. If you would like to receive access to this information, please send your request by email to kaysingerbridgebundle@modot.mo.gov.

Please be advised that these files are for information only. Information will be clarified in the RFP document when released. Receipt of early release information will in no way guarantee that the user or their company will be shortlisted to compete for the project or awarded the project.

Sincerely,

Shannon Kellner, P.E.
Project Director
