Official Ribbon Cutting

All federal, state, county, and the local mayors are asked to join the speakers at the stage to cut the ribbon.

Thank you to all of the many cities, partners, businesses, and community members that have been involved with and impacted by this project.

We hope that the I-270 North project will improve the way that you live, work, and play in North St. Louis County for years to come.

Thank you to the many team members that made this project successful from MoDOT, Millstone Weber, Parsons, and all the Subcontractors, Consultants, and Suppliers.
