

Title VI Program Complaint Procedures

Title VI of the Civil Rights Act of 1964 prohibits discrimination on the basis of race, color or national origin in programs receiving federal financial assistance.

The following information outlines MoDOT's Title VI Program complaint procedures related to providing programs, services and benefits. These procedures do not deny a complainant the right to file a formal grievance. Complainants have a right to make a complaint directly to the appropriate state or federal agency, such as the Missouri Commission on Human Rights, Equal Employment Opportunity Commission, Federal Transit Administration (FTA), Federal Highway Administration (FHWA), Federal Aviation Administration (FAA), or Federal Motor Carrier Safety Administration (FMCSA) or to seek private counsel for complaints alleging discrimination, intimidation or retaliation of any kind.

Any person who believes he or she, individually, or as a member of any specific class of person, has been subjected to discrimination on the basis of race, color, or national origin, may file a written complaint with:

*Missouri Department of Transportation
Business Development and Compliance Division
Title VI Coordinator
P.O. Box 270
Jefferson City, Missouri 65102-0270*

Or by email at:

TitleVI@modot.mo.gov

Every effort will be made to obtain early resolution of complaints. The option of an informal meeting(s) between the affected parties and the Title VI Coordinator may be utilized to facilitate such resolution.

Procedures

1. The complaint must meet the following requirements:
 - a. The complaint should be in writing and signed by the Complainant(s). In cases where the Complainant is unable or incapable of providing a written statement, a verbal complaint may be accepted. The Title VI Coordinator will interview the Complainant and assist the Complainant in converting verbal complaints into writing. All complaints must be signed by the Complainant or his/her representative.
 - b. Include the date of the alleged act of discrimination or when the Complainant became aware of the alleged act of discrimination, the date in which the conduct was discontinued or the latest instance of the conduct.
