### Required for All Steel Products

This certification is made for the purpose of establishing the materials acceptance under the Buy America Certification (23CFR 635.410) and MoDOT Specification Sec. 106.9. All iron and steel manufacturing processes, including protective coating, for the domestic materials described above occurred in the United States of America.

Signature: \_\_\_\_\_

A PAL Material Receival Form must precede use of the PAL material shipment.  
 All required material documentation must accompany this form.  
 PAL material listings may be found at: <http://www.modot.org/business/materials/PAL.htm>
