### Required For All Steel Products

This certification is made for the purpose of establishing the materials acceptance under the Buy America Certification (23CFR 635.410) and MoDOT Specification Sec. 106.9. All iron and steel manufacturing processes, including protective coating, for the domestic materials described above occurred in the United States of America.

Signature: \_\_\_\_\_

**A PAL Material Transmittal Form must precede every PAL material shipment.  
Step Certifications shall be submitted with the PAL Form for Category 1 Material.**
