

Form DB-107
REQUESTS FOR CLARIFICATION – RFQ PHASE

rev 1/2017

Design-Build Project: Forward 44: Southwest I-44 Improvements Project

Responses will be provided in writing and will be posted on the project website.

FOR MODOT USE ONLY

Item Number	RFQ Section	Topic	Comment/Question	Response (Enter a Response, "Moved to Master", or "Withdrawn")	Date Closed	Will change be reflected in future addendum? (Y/N)
1	3.4	Railroad Coordination	Please confirm whether it is relevant to discuss coordinating and communicating with railroads as mentioned in Section 3.4 - Submitter Experience of the RFQ document.	Per Section 3.4 Evaluation Criteria, coordinating and communicating with railroads and all other entities listed, is relevant.	12/1/2025	N
2	2.3	Submitted SOQ Revisions	If the SOQ is submitted early (e.g. submitted prior to posted final responses to questions date) can it be revised and re-submitted by the SOQ due date.	Please do not submit a SOQ until it is in final form.	12/1/2025	N
3	1.1	Project Requirements	Request that pavement cores be obtained at 1-mile intervals throughout the required and eligible extended project limits in one travel lane and on inside and outside shoulder to accurately assess pavement needs and MOT capabilities of existing infrastructure.	Pavement core information will be provided via Early Release or release of the RFP.	12/19/2025	N
4	1.1	Project Requirements	Request clarification regarding pavement scope for I-44. Please provide recommended pavement treatment options for the proposed widened sections of I-44, as well as pavement rehabilitation options for the existing I-44 pavement. If feasible, we request that this information be included in the early release.	This information will be released with the RFP.	12/19/2025	N
5			Are you expecting to publish a draft RFP for this project in the near future?	There is no plan to release a draft RFP at this time.	12/19/2025	N
