- Superpave (SP) & Balanced Mix Design (BMD)
- Hot- Mix Aggregate (HMA)
- Tensile Strength Ratio (TSR) & Hamburg (HWT)
- Balanced Mix Design (BMD) – Available for currently SuperPave certified technicians.

Steps to Sign up for Certification Courses:

1. Review the schedule of classes (middle of the page): MoDOT Schedule
2. Once you have found classes that work for your schedule create an account: Default Page | MoDOT Application | Portal
    a. Login (with previous company login)- if you do not have a login then send an email to MoDOTins@statetechmo.edu
3. Once Logged In Click on MoDOT Application at the top of the page in green
4. Scroll to the bottom of the page and click on: MoDOT - MoDOT Certification Application
5. Fill out the Student information for who will be completing the class

6. Click Next
7. Course Information will be where you can select multiple courses that a student may need to complete and click add course
8. Once all courses are selected click next at the bottom of the page
9. Check all boxes YES and then submit.
10. Once Submitted it will ask for payment. If you have any questions contact: Meghan Kliethermes: 573-897-5330 or MoDOTins@statechmo.edu

NOTE: We will make every effort to put you on your requested course date. However, if a course reaches capacity prior to receiving your application, you may be placed on the next course available or asked to choose an alternate date if more are available.

- Courses are filled on a first-come first-served basis.
- On the STC registration application process, if the course has seats available the date will be **bold** on the calendar. If the date is not bold, pick another date that is **bold** from the calendar.
